ACA University: The Facts not the Fiction

May 1, 2013
2:00pm- 3:15pm

Register

ACA University is an ongoing webinar series on the Affordable Care Act's most notable reforms and their effects on employers, consumers, and healthcare providers. The May 1st webinar will focus on the ACA's tax issues and will include information on: premium subsidies, mandate penalties, medical device taxes, the Medicare tax on upper incomes, Cadillac tax, and reinsurance and PCORI fees.

Please join us on May 1st at 2pm for a FREE webinar featuring:
