Clear Vision Discount Program Highlights

Vision Plan: Clear Vision Discount Plan

Client Code (Website): 7619

Co-payment: N/A, discount plan is 100% member paid at the time of service

Eye Examination – Members will receive a 15% discount on their comprehensive eye examination including dilation (when professionally indicated).

Eyewear (Frames and Spectacle Lenses or Contact Lenses) – Members will be entitled to substantial and verifiable savings on all of their eyewear needs. Discounts are uniform nationally and represent pricing well below Average Retail Prices. These discounts are based on published industry standard costs, not markdowns from artificially inflated prices.

Significant Savings – Client surveys indicate that programs providing discounts off retail prices of eyeglasses are subject to abuse due to the high associated markups of over 300% throughout the optical industry. Consequently, these programs do not result in a true “value-add” for the beneficiary. The proposed fixed-fee discounted pricing schedule provides both verifiable savings and benefit uniformity for all members from coast to coast.

Additional Value-Added Features – The Clear Vision Discount Program also offers significant discounts on replacement contact lenses and laser vision correction at no additional cost.

- Replacement contacts (after initial benefit) through www.DavisVisionContacts.com mail-order service ensures easy, convenient, purchasing online and quick, direct shipping to your door. Log on to our member Website for details.
- Davis Vision’s Laser Vision Correction program provides substantial discounts on laser vision correction procedures. Members are entitled to savings of up to 25% off usual and customary fees or a 5% discount off a center’s advertised special through a network of preeminent physicians affiliated with Eye Centers of Excellence. (Some centers provide a flat fee equating to these discount levels.) See below for information on finding a participating laser vision provider near you.

Contacting Davis Vision – Simply log on to www.davisvision.com, select the ‘Members’ option, and enter your Client Code 7619.
